

How to Make a Parchment Pastry Bag

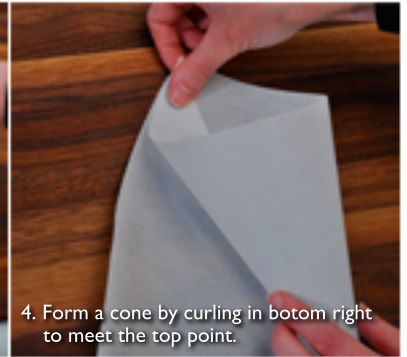

1. Tear sheet of Parchment Paper.

2. Fold opposite corners and crease to make a triangle. Cut along crease.

3. Lay triangle with base closest to you.

4. Form a cone by curling in bottom right to meet the top point.

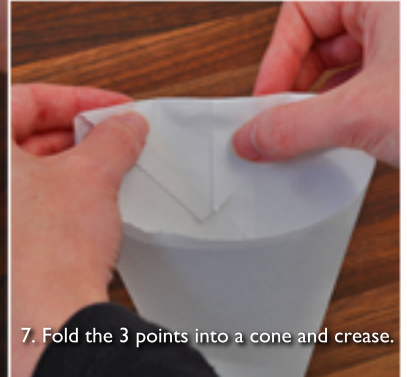

12. Squeeze to decorate.

5. Wrap the bottom left around the cone to meet at the top.

6. Make a tight tip on the cone by adjusting the 3 points.

7. Fold the 3 points into a cone and crease.

11. Snip off the tip of the cone.

10. Fill bag 1/2 with frosting & push down toward the tip & roll like toothpaste.

9. Tear a notch to hold the fold in place.

8. Make a second fold.
